Operational update – Kurdistan Region of Iraq

Sharjah, UAE, 9 November 2026: Dana Gas (PJSC) informs the market that the Khor Mor facility in the Kurdistan Region of Iraq was subject to a suspected drone attack on the night of 8 November 2026, which caused a fire. The fire has since been extinguished and there were no injuries to personnel. Production remains suspended while the damage is being assessed.

The Company is coordinating closely with the Kurdistan Regional Government and the Federal authorities, who have shown strong support. Further updates will be provided to the market in due course.
