INDEPENDENT AUDITOR'S REVIEW REPORT ON THE CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS

TO THE SHAREHOLDERS OF SAUDI MARKETING COMPANY (FARM SUPERSTORES) A LISTED JOINT STOCK COMPANY

INTRODUCTION

We have reviewed the accompanying condensed consolidated interim financial statements of Saudi Marketing Company (Farm Superstores) (the "Company") and its subsidiary (the "Group") as of September 30, 2026 which comprises:

- The condensed consolidated interim statement of financial position as of September 30, 2026;
- The condensed consolidated interim statement of profit or loss and other comprehensive income for the three-month and nine-month periods then ended;
- The condensed consolidated interim statement of changes in equity for the nine-month period then ended;
- The condensed consolidated interim statement of cash flows for the nine-month period then ended; and
- The notes to the condensed consolidated interim financial statements.

Management is responsible for the preparation and presentation of these condensed consolidated interim financial statements in accordance with International Accounting Standard 34 - "Interim Financial Reporting" ("IAS 34") that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these condensed consolidated interim financial statements based on our review.

SCOPE OF REVIEW

We conducted our review in accordance with International Standard on Review Engagement 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", that is endorsed in the Kingdom of Saudi Arabia. A review of condensed consolidated interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

CONCLUSION

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial statements are not prepared, in all material respects, in accordance with IAS 34 that is endorsed in the Kingdom of Saudi Arabia.

OTHER MATTER

The consolidated financial statements for the year ended December 31, 2025 and the condensed consolidated interim financial statements of the Group for the three-month and nine-month periods ended September 30, 2025 were audited and reviewed by another auditor, respectively, whose audit report dated April 05, 2026 and review report dated November 12, 2025 expressed an un-modified opinion and conclusion, respectively.

The Company's subsidiary is a limited liability company incorporated in the Kingdom of Saudi Arabia.

2. BASIS OF PREPARATION

Statement of compliance

These condensed consolidated interim financial statements for the three-month and nine-month periods ended September 30, 2026 have been prepared in accordance with International Accounting Standard ("IAS") 34, "Interim Financial Reporting" as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are issued by the Saudi Organization for Chartered and Professional Accountants ("SOCPA").

The condensed consolidated interim financial statements do not include all information and disclosures required in the annual consolidated financial statements and should be read in conjunction with the Group's annual consolidated financial statements for the year ended December 31, 2025. In addition, results for the three-month and nine-month periods ended September 30, 2026 are not necessarily indicative of the results that may be expected for the financial year ending December 31, 2026.

Basis of measurement

These condensed consolidated interim financial statements are prepared under the historical cost convention, using the accrual basis of accounting and the going concern concept except for:

- The remeasurement of equity instruments at FVOCI and at FVTPL which are measured at fair values, and;
- Employees end of service benefits that have been measured at the present value using Projected Unit Credit method.

As of September 30, 2026, and December 31, 2025, the carrying values of the financial assets and financial liabilities approximate to their face values. Investment in equity instruments at FVOCI and FVTPL are determined at level 1 of the fair value hierarchy.

These condensed consolidated interim financial statements are presented in Saudi Riyals (﷼), which is the Group's functional currency, and all values are rounded to the nearest Saudi Riyal, except where otherwise stated.

3. SUMMARY OF MATERIAL ACCOUNTING POLICIES

The accounting policies used in the preparation of these condensed consolidated interim financial statements are consistent with those used in the preparation of the Group's annual consolidated financial statements as of and for the year ended December 31, 2025, and the notes attached thereto, except for the below accounting policy of "net investment in sublease" which is applicable during the nine-month period ended September 30, 2026 as the Group entered into such transactions in the said period.

3.1 Net investment in sublease

When the Group is an intermediate lessor, it accounts for the head lease and the sublease as two separate contracts. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

3. SUMMARY OF MATERIAL ACCOUNTING POLICIES (Continued)

3.2 New amended standards and interpretations:

3.2.1 Standards and amendments effective in the current period:

Amendments to standard	Description	Effective from accounting period beginning on or after	Summary of the standards and amendments	Management impact
IFRS 9 and IFRS 7	Classification and Measurement of Financial Instruments	1 January 2026	The amendments clarify the recognition and derecognition of financial assets and financial liabilities, including settlement date accounting for certain electronic payment systems. They also provide additional guidance on assessing contractual cash flow characteristics of financial assets, including contingent cash flows arising from environmental, social and governance (ESG)-linked features. The amendments also introduce new and updated disclosure requirements in IFRS 7.	The amendments have been adopted during the current period. The adoption did not have a material impact on the Group's condensed consolidated financial statements, as the Group's financial instruments and settlement arrangements were not significantly affected.
	Contracts Referencing Nature-dependent Electricity	1 January 2026	These amendments modify the 'own use' requirements and hedge accounting provisions in IFRS 9 for contracts that expose entities to variability in electricity prices due to uncontrollable natural conditions such as weather. Targeted disclosure requirements are introduced in IFRS 7.	The amendments have been adopted during the current period. The adoption did not have a material impact on the Group's condensed consolidated financial statements, as the nature of the Group's operations and contractual arrangements did not result in any significant exposure to such contracts.

3.2.2 Standards and amendments issued but not yet effective:

The following standards and amendments have been issued but are not yet effective for the reporting period ended September 30, 2026, and have not been early adopted by the Group:

Amendments to standard	Description	Effective from accounting period beginning on or after	Summary of the amendment	Management assessment
IFRS 19	Subsidiaries without Public Accountability	1 January 2027	IFRS 19 permits eligible subsidiaries without public accountability to apply reduced disclosure requirements while continuing to apply full IFRS recognition and measurement principles. The standard affects disclosure requirements only and does not impact recognition or measurement.	Management will assess the applicability of IFRS 19 at the date of adoption. The standard is expected to affect disclosure requirements only and is not expected to have a material impact on the Group's consolidated financial position, consolidated financial performance or cash flows.

3. SUMMARY OF MATERIAL ACCOUNTING POLICIES (Continued)

3.2 New amended standards and interpretations: (Continued)

3.2.2 Standards and amendments issued but not yet effective: (Continued)

IFRS 18 PRESENTATION AND DISCLOSURE

IFRS 18 Presentation and Disclosures in Financial Statements will replace IAS 1 Presentation of Financial Statements and applies for annual reporting periods beginning on or after January 1, 2027. The Group has not early adopted the new accounting standard in preparing these condensed consolidated interim financial statements; however earlier application is permitted.

The assessment remains in progress and, accordingly, the actual impact of the adoption of IFRS 18 may differ from the Group's current preliminary assessment on condensed consolidated interim financial statements. Below are the results of the preliminary assessment:

a) Structure of the statement of profit or loss

IFRS 18 requires entities to classify all income and expenses into categories in the condensed consolidated interim statement of profit or loss – namely operating, investing, financing, zakat and income tax and discontinued operations. Classification of income and expenses depends on the main business activities of the entity. Based on the preliminary assessment of management the Group does not have a specified main business activity of providing finance to customers.

Neither net profit, nor net assets will change as a result of the Group’s adoption of IFRS 18. The Group will be required to present one newly defined subtotal, which is profit or loss before financing and income taxes. However, as the operating profit subtotal differs from the subtotal currently presented, the Group is currently performing a gap analysis to assess the impact of the new presentation requirements.

b) Management-defined performance measures

Management-defined performance measures (MPMs) are subtotals of income and expenses used in public communications outside the condensed consolidated interim financial statements that communicate to user’s management's view of an aspect of the financial performance of the entity as a whole. The Group will be required to disclose specific information about MPMs in a single note in the condensed consolidated interim financial statements.

The Group is in the process to determine which public communications should be considered when identifying MPMs. MPMs relate to the same reporting period as the condensed consolidated interim financial statements. Therefore, MPMs disclosed by the Group following adoption of IFRS 18 will be determined based on public communications issued by the Group relating to the 2027 interim reporting period.

c) Principles of aggregation and disaggregation

IFRS 18 provides enhanced principles on how to group information in the condensed consolidated interim financial statements (i.e. the primary financial statements and the notes). It also introduces guidance on labelling and describing items presented in the primary condensed consolidated interim financial statements or disclosed in the notes.

The Group is assessing the grouping of items on the basis of similar and dissimilar characteristics. Based on this assessment, it will present line items in the primary financial statements that provide useful structured summaries and disclose additional material information in the notes.

The Group is also assessing line items currently labelled as 'other' and will use more informative labels, if required.

d) Consequential amendments

IFRS 18 introduces consequential amendments to IAS 7, which require entities to use the newly defined operating profit subtotal as the starting point for the condensed consolidated interim statement of cash flows when presenting operating cash flows under the indirect method. The Group currently uses profit for the year/period as the starting point of the reconciliation to cash flows from operating activities. Certain adjusting items included in the reconciliation will change as a result of the new starting point. The consequential amendments also provide specific guidance on the classification of interest and dividend cash flows. Cash flows from interest and dividends received and from dividends paid will continue to be classified as investing activities and financing activities, respectively.

4. CRITICAL JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the condensed consolidated interim financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. The significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those applied to the Group's annual consolidated financial statements as of and for the year ended December 31, 2025.

On February 25, 2025, the Company filed an objection against the said assessments. In January 2025, the Company received an initial assessment for the year 2023 claiming an additional Zakat liability of ﷼ 3.2 million. Following the issuance of Ministerial Resolution (MR) 947 on February 14, 2025, which extended the period to apply Zakat regulation issued by MR 1007, the Company opted to apply MR 1007 on the years 2021, 2022 and 2023. ZATCA accepted Company's request and issued a revised assessment with additional Zakat liability of ﷼ 0.6 million for 2021, nil for 2022 and ﷼ 0.6 million for 2023. The Company accepted ZATCA's amended assessment and settled the additional liability in July 2025.

In April 2026, the Company received an initial assessment for the year 2024 claiming an additional zakat liability of ﷼ 0.06 million. The Company accepted ZATCA's assessment and settled the additional liability in May 2026.

Pure Springs Agencies and Trading Company Limited obtained its final Zakat assessments up to the year 2019. The Zakat declarations till the year 2025 have been submitted to ZATCA.

10. SEGMENT REPORTING

For management purposes, the Group is organized into business units based on its products and services and has three reportable segments, as follows:

- The retail segment - this segment includes sale of goods to customers commonly at the store checkout for the sales via the Group's stores.

- The wholesale segment - this segment includes sale of goods to the wholesale customers.

- The entertainment service segment - this segment includes services provided by operating kids play grounds "Adventure World".

Segment results that are reported to the chief reporting decision maker for the purpose of making decisions about resource allocation and performance assessment include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Performance is measured based on segment revenues and net profit, as included in the internal management reports that are reviewed by the top management at least on quarterly basis.

All of the Group’s operations are located in the Kingdom of Saudi Arabia. Control of products / services is transferred at a point in time and directly sold / provided to the customers.
