Report on review of condensed consolidated interim financial statements

To the Board of Directors of Parkin Company P.J.S.C.

Introduction

We have reviewed the accompanying condensed consolidated interim statement of financial position of Parkin Company P.J.S.C. (the “Company”) and its subsidiary (together the “Group”) as at 30 September 2026 and the related condensed consolidated interim statement of profit or loss and other comprehensive income for the three-month and nine-month periods then ended and the condensed consolidated interim statements of changes in equity and cash flows for the nine-month period then ended and explanatory notes. Management is responsible for the preparation and presentation of these condensed consolidated interim financial statements in accordance with International Accounting Standard 34 'Interim Financial Reporting' (“IAS 34”). Our responsibility is to express a conclusion on these condensed consolidated interim financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of interim financial information performed by the independent auditor of the entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial statements are not prepared, in all material respects, in accordance with IAS 34.

1 CORPORATE INFORMATION

Parkin Company P.J.S.C. ("Parkin" or the "Company") is a Public Joint Stock Company established on 29 December 2023 in the Emirate of Dubai, United Arab Emirates (UAE) under law no. 30 of 2023 issued by His Highness Sheikh Mohammed Bin Rashid Al Maktoum, the Ruler of Dubai, and started its operations on 1 January 2024.

The Company's registered address is Level 1, Festival Tower, Dubai Festival City, PO Box 36699, Dubai, United Arab Emirates.

Dubai Investment Fund ("DIF" or the "Parent") holds 75.01% of the Company's shares which is ultimately owned and controlled by the Government of Dubai. The remaining shares of 24.99% are publicly traded on the Dubai Financial Market stock exchange.

The Company is the exclusive operator of public parking services in the Emirate of Dubai. Pursuant to a 49-year concession agreement ("Concession Agreement") with the Roads and Transport Authority ("RTA"), the Company manages paid on-street, off-street, and multi-storey car parks, as well as selected developer-owned parking facilities. The Company's principal activities comprise the operation, monitoring, and enforcement of parking services.

As at 30 September 2026, Parkin wholly owns and controls Parkin Mobility L.L.C. (the "Subsidiary") which was incorporated on 18 March 2025, in the UAE and is dormant for all periods presented. Parkin and its Subsidiary are collectively referred to as the "Group".

During the periods ended 30 September 2026 and 30 September 2025, the Group has not purchased or invested in any external shares. Refer to Note 18 for the Group's purchase of own shares.

The condensed consolidated interim financial statements for the three-month and nine-month periods ended 30 September 2026 have been reviewed, not audited. The comparative information for the condensed consolidated interim statement of financial position is based on the audited financial statements as at 31 December 2025. The comparative information for the condensed consolidated interim statements of profit or loss and other comprehensive income, changes in equity and cash flows, and related explanatory notes, for the three-month and nine-month periods ended 30 September 2026 is based on the unaudited condensed consolidated interim financial statements for the three-month and nine-month periods ended 30 September 2025.

The condensed consolidated interim financial statements were approved by the Board of Directors of Parkin Company P.J.S.C. on 09 November 2026 and signed on its behalf by Ahmed Hashem Bahrozyan, Chairman of the Board of Directors and Mohamed Abdulla Al Ali, Chief Executive Officer.

2 BASIS OF PREPARATION

These condensed consolidated interim financial statements for the three-month and nine-month periods ended 30 September 2026 have been prepared in accordance with International Accounting Standard (IAS): 34 "Interim Financial Reporting" and applicable requirements of the United Arab Emirates laws.

The Group has early adopted IFRS 18 - Presentation and Disclosure in Financial Statements ("IFRS 18"). This includes consequential amendments to other standards as a result of adoption of IFRS 18. Other than the early adoption of IFRS 18 as disclosed in Note 3.3 and the adoption of the new standards, amendments and interpretations of IFRS Accounting Standards as disclosed in Note 3.1, the same accounting policies and computation methods used in the annual audited consolidated financial statements for the year ended 31 December 2025 have been applied in these condensed consolidated interim financial statements.

The condensed consolidated interim financial statements do not include all information and disclosures required in the annual financial statements and should be read in conjunction with the Group's financial statements for the year ended 31 December 2025. The condensed consolidated interim financial statements are presented at historical cost basis. Historical cost is generally based on the fair value of the consideration given in exchange for assets, unless otherwise disclosed.

The preparation of condensed consolidated interim financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Group's accounting policies. The areas involving a higher degree of complexity, or areas where assumptions and estimates are significant to condensed consolidated interim financial statements are disclosed in Note 5. These have been applied consistently for all periods presented unless otherwise stated.

The condensed consolidated interim financial statements are presented in UAE Dirhams ("AED"), which is also the functional currency of the Company and its Subsidiary. All values have been rounded to the nearest thousand ("000"), unless otherwise disclosed.

3 NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS TO EXISTING STANDARDS

3.1 New standards, interpretations and amendments to existing standards as adopted by the Group

The following are new standards, amendments and interpretations of IFRS Accounting Standards ("IFRS") that have been adopted by the Group. The application of these revised IFRSs, except where stated, have not had any material impact on the amounts reported for the current and prior periods:

- Amendments to the Classification and Measurement of Financial Instruments – Amendments to IFRS 9 and IFRS 7 (effective 01 January 2026)
- Annual Improvements to IFRS Accounting Standards – Volume 11 (effective 01 January 2026)
- Contracts Referencing Nature-dependent Electricity – Amendments to IFRS 9 and IFRS 7 (effective 01 January 2026)

3.2 New standards, interpretations and amendments issued but not yet effective

The standards, interpretations and amendments that are issued, but not yet effective, up to the date of issuance of the Group's condensed consolidated interim financial statements are disclosed below.

- IFRS 18 - Presentation and Disclosure in Financial Statements (effective 01 January 2027)
- IFRS 19 - Subsidiaries without Public Accountability: Disclosures (effective 01 January 2027)

These standards, interpretations, and amendments are not expected to have a material impact on the Group in the current or future reporting periods and on foreseeable future transactions with the exception of IFRS 18 which has been early adopted by the Group as disclosed in Note 3.3.

3.3 Early adoption of IFRS 18 and consequential amendments

The Group has early adopted IFRS 18, which supersedes IAS 1 ‘Presentation of Financial Statements’ (“IAS 1”) and introduces consequential amendments to other standards such as IAS 7 - Statement of Cash Flows, IAS 8 - Accounting Policies, Changes in Accounting Estimates and Errors and IAS 33 – Earnings per share.

IFRS 18 introduces new requirements for presentation within the statement of profit or loss, including specified totals and subtotals. Entities are required to classify all income and expenses within the statement of profit or loss into one of the five categories: operating, investing, financing, income taxes and discontinued operations. It also requires disclosure of management-defined performance measures. Further, consequential amendments to other standards such as IAS 7 - Statement of Cash Flows have been made resulting in changes to the statement of cash flows.

The Group has early adopted IFRS 18 and presented all the income and expenses within its statement of profit or loss into one of five categories: operating, investing, financing, income taxes and discontinued operations. The Group has presented specified subtotals required by IFRS 18, including ‘Operating profit’, ‘Profit before financing and income tax’, ‘Profit before tax’ and ‘Profit’, as well as ‘Total comprehensive income’, to provide a more structured summary of performance of the Group.

IFRS 18 requires entities whose main business activity is investing in assets or providing financing to customers to classify in the operating category some items of income and expenses that would otherwise be classified in the investing or financing categories. The Group has concluded that it does not invest in assets, nor does it provide financing to customers, as a main business activity. As a result such items are not presented within operating categories. The Group continues to present its operating expenses by nature, consistent with prior periods, and provides an analysis of material operating expenses by nature in its financial statements. IFRS 18’s requirements regarding disclosure about the nature of operating expenses and the aggregation and disaggregation of information are therefore largely consistent with the Group’s previous presentation under IAS 1 and did not result in significant changes in this area.

Consequential amendments have been made to IAS 7 ‘Statement of Cash Flows’, including changing the starting point for determining cash flows from operating activities under the indirect method from ‘profit or loss’ to ‘operating profit or loss’ and removing optionality around the classification of cash flows from interest and dividends. As a result, the Group has changed the starting point for determining cash flows from operating activities under the indirect method, from ‘profit before tax’ to ‘operating profit’. Consequential amendments have also been made to several other standards, which did not have an impact on the Group’s condensed consolidated interim financial statements.

IFRS 18 has been applied retrospectively. As a result, the condensed consolidated interim statement of profit or loss and other comprehensive income and the condensed consolidated interim statement of cash flows, and, where relevant, the accompanying notes, have been restated. No impact has been noted on condensed consolidated interim statement of financial position or the condensed consolidated interim statement of changes in equity. Hence, no changes were required to the condensed consolidated interim statement of financial position or the condensed consolidated interim statement of changes in equity. The restatements did not affect previously reported total comprehensive income, total equity, total assets, total liabilities or total cash flows. IFRS 18 also requires disclosures of management-defined performance measures which is disclosed in Note 32.

3 NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS TO EXISTING STANDARDS (continued)

3.3 Early adoption of IFRS 18 and consequential amendments (continued)

The following items have been restated in line with the adoption of IFRS 18:

a) Condensed consolidated interim statement of profit or loss and other comprehensive income:

3 NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS TO EXISTING STANDARDS (continued)

3.3 Early adoption of IFRS 18 and consequential amendments (continued)

a) Condensed consolidated interim statement of profit or loss and other comprehensive income (continued):

Notes:
i) Change in classification from "other income" to "other operating income".
ii) Change in classification from "finance income" to "interest income from cash and cash equivalents and deposits" and included within investing category.
iii) Change in classification from "other expenses" to "other individually immaterial operating expenses".
iv) New subtotal presented under IFRS 18.

b) Condensed consolidated interim statement of cash flows:

On transition to IFRS 18, the Group changed the starting point of the indirect method of cash flows from operating activities from 'profit before tax' to 'operating profit', which already excludes finance charge on lease liabilities, other finance costs and finance income. Accordingly, as summarised below, those finance-related items are no longer presented as separate adjustments within cash flows from operating activities.

IFRS 18 starting point of the indirect method of cashflows	**Previous starting point of the indirect method of cashflows (IAS 1)**
Operating profit	Profit before tax (with finance charge on lease liabilities, other finance costs and finance income presented as separate adjustments in the reconciliation)

4 SUMMARY OF MATERIAL ACCOUNTING POLICIES

The material accounting policies used in the preparation of these condensed consolidated interim financial statements are consistent with those followed in the preparation of the annual consolidated financial statements for the year ended 31 December 2025, except for; the adoption of new and amended standards as mentioned in Note 3.

5 SIGNIFICANT ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGMENTS

The preparation of the condensed consolidated interim financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates. The significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that were applied in the preparation of the consolidated financial statements of the Group as at and for the year ended 31 December 2025 with the exception of the below new judgement applied during the nine-month period ended 30 September 2026:

In May 2026, following discussion with the relevant authorities, the Group's public parking services were determined to be subject to VAT at the standard rate of 5%. Management applied judgement in assessing whether the resulting impact for the historical period should be treated as a prior period error requiring retrospective restatement, or recognised prospectively as a change arising from reassessment of the applicable VAT treatment under IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors'. Management determined that the reassessment resulted from developments during the said period and should therefore be accounted for prospectively. As a result, comparative information has not been restated.

Developer parking arrangements and Parking operation systems includes assets tailored and used for the provision of services under the service concession arrangement and accordingly have been included as intangible assets under IFRIC 12.

Certain software licenses for IT equipment are dedicated to Group's operation, however, the title of these will remain with RTA. The Company has entered into a Concession Agreement with RTA wherein, rights are provided to the Company to use these assets against a concession fee. Accordingly, these intangible assets are not included in the condensed consolidated interim financial statements of the Group.

Intangible assets under development are not amortised until they become available for use. Management estimates that the intangible assets are fully recoverable for all periods presented.

16 RIGHT-OF-USE ASSETS AND LEASE LIABILITIES

In accordance with the Concession Agreement, RTA has novated the developer contracts relating to the RTA Parking Business to Parkin, effective 1 January 2024. These developer contracts pertain to the operation and management of parking spaces within developer and/or private locations. Certain of these contracts contain a lease in accordance with the lease definition of IFRS 16.

The right-of-use assets covering the developer and/or private locations that were received as part of the Service Concession Arrangement have been transferred and included within "developer parking arrangements" as a part of intangible assets.

In addition to the above, the Group leased office premises with a lease term of up to five years, developer / private parking arrangements with lease terms of up to ten years, and vehicle lease agreements with lease terms of four years.

Management estimates that the right of use assets are fully recoverable for all periods presented.

RTA assets used by the Group: Land for on-street parking spaces, off-street parking lots, and multistorey parking buildings are owned by RTA. These assets are being used by the Group under the Concession Agreement for all periods presented.

Transitional Service Agreement: In 2024, the Company entered into a transitional services agreement ("TSA") with RTA, effective from 1 January 2024, wherein RTA is providing services to Parkin during an interim period of up to 24 months. The services include various operational and back-office functions such as Information Technology, Administration, Marketing, and Communication, all in accordance with the terms specified in the TSA. The scope of the TSA services availed by the Company has been significantly reduced as the Group has developed its own capabilities in both the periods. For certain IT, customer support and security services, TSA has been extended for additional period ranging upto 36 months.

During the three-month and nine-month periods ended 30 September 2026, an amount of AED 2.5 million and AED 7.5 million respectively (30 September 2025: AED 2.0 million and AED 6.6 million respectively) has been charged by RTA for such transitional services and these have been included as "Transitional service expense" as a part of "Other individually immaterial operating expenses" in the condensed consolidated interim statement of profit or loss and other comprehensive income.

19 RELATED PARTY BALANCES AND TRANSACTIONS (continued)

Significant transactions and balances with related parties (continued):

Service concession arrangement: In 2024, Parkin and RTA entered into a Parking Concession Agreement effective from 1 January 2024 for a period of 49 years unless terminated or extended as per the terms of the agreement. Under this agreement, RTA grants certain mandates and powers outlined in the 2016 Parking Regulations (No. 5 of 2016), specifically related to the operation, management, and supervision of parking facilities in Dubai, to Parkin. The Concession Agreement also grants Parkin the right to charge parking fees and parking user charges generated by the parking facilities. Further, RTA grants right to use real estate assets and transfers the ownership of certain assets related to Parking Business under this agreement (Refer to Notes 14 and 15). In exchange, Parkin is obligated to make a concession payment to RTA, comprising of an upfront payment of AED 1.1 billion (paid during the year ended 31 December 2024), and a deferred payment of AED 300 million (recorded under due to related parties with RTA as at 30 September 2026 and 31 December 2025). The Concession Agreement is accounted for under IFRIC 12 Service Concession Arrangements. An intangible asset measured at AED 1.4 billion is recognised representing the right to charge parking fees and parking user charges from the public granted by RTA to Parkin. Further, Parkin will pay a variable concession fee of up to 27.5% of the parking revenues quarterly which is recorded as "Concession fee expense" in the condensed consolidated interim statement of profit or loss and other comprehensive income. Concession fee expense amounted to AED 57.8 million and AED 170.9 million during the three-month and nine-month period ended 30 September 2026 (30 September 2025: AED 61.0 million and AED 143.5 million respectively).

Compensation agreement: Under the compensation agreement with the RTA, the complete VAT and associated charges for the period from 1 February 2024 to 31 May 2026 (as disclosed in Note 33) was compensated to the Group by the RTA. In accordance with the terms of the agreement, the Group applied this amount as an offset against amounts payable to the RTA.

28 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's activities and borrowings expose it to a variety of financial risks: market risk (including foreign exchange risk, price risk and cash flow interest rate risk), credit risk and liquidity risk.

These condensed interim financial statements do not include all financial risk management information and disclosures required in the annual financial statements. As such, they should be read in conjunction with the Group's annual financial statements for the year ended 31 December 2025. There has been no change in any financial risk management policies since year end.

The Group's objectives when managing capital are to safeguard the Group's ability to continue as a going concern in order to provide returns for the shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital. There has been no material change in the capital risk management policies of the Group during this period.

29 IMPACT OF SEASONALITY ON THE BUSINESS

The Group is subject to moderate seasonal fluctuations; interim period revenue and earnings are typically sensitive to the traffic activity that tends to slow down during the summer months. As a result of moderate seasonal fluctuations, results for any quarter are not necessarily indicative of the results that may be achieved for any other quarter or for the full fiscal year.

32 MANAGEMENT-DEFINED PERFORMANCE MEASURES

IFRS 18 requires entities to disclose management-defined performance measures (MPMs) when these are used in public communications outside the financial statements to help users understand the Group's performance.

In accordance with IFRS 18, the Group presents EBITDA (Earnings Before Interest, Taxes, Depreciation and Amortisation) as a management-defined performance measure. EBITDA is used by management to evaluate operating performance, monitor the underlying business, and support decision-making. EBITDA is calculated as profit excluding depreciation and amortisation expense and excluding finance expense and income tax expense. EBITDA includes interest income from cash and cash equivalents and deposits. EBITDA is not a measure under IFRS and should not be considered as a substitute for profit, operating profit, or any other measure prepared in accordance with IFRS.

Management-defined performance measures reflect how the management evaluates the financial performance of the Group as a whole. These measures may not be comparable with similarly named measures presented by other entities.

33 OTHER MATTERS

i) Geopolitical development

In February 2026, the geopolitical situation in the Middle East escalated, resulting in business disruptions across several Gulf Cooperation Council ("GCC") countries, including the United Arab Emirates where the Group operates.

Management continues to closely monitor the situation and its effect on the Group's operational and financial performance. Based on the assessment as of 30 September 2026, no changes were considered necessary to the critical accounting estimates, assumptions and judgments disclosed in the annual financial statements for the year ended 31 December 2025. However, due to the unprecedented nature of these developments and the continuing uncertainty around their course, duration, and economic impact, management will keep these estimates, assumptions and judgments under review and revise them as needed during 2026.

ii) VAT reassessment

In May 2026, public parking services were determined to be subject to VAT at the standard rate of 5% and accordingly Parkin submitted voluntary disclosures to the Federal Tax Authority ("FTA") in respect of the VAT treatment of its public parking revenues.

As a result, Parkin recognised cumulative VAT obligation of AED 81 million, inclusive of related penalties for the period from 1 February 2024 to 31 May 2026. The corresponding compensation of AED 81 million was offset against amounts payable to RTA in accordance with the Compensation Agreement (Note 19). Accordingly, the recognition of the historical VAT obligation and the corresponding compensation had no impact on Group's profit or loss.

Effective 1 June 2026, Parkin applied VAT at the standard rate of 5% on public parking services in accordance with applicable UAE VAT legislation. VAT is charged to customers at the point of sale in addition to the underlying parking tariff, without any change to the base pricing of services.
