REPORT ON REVIEW OF INTERIM CONDENSED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF

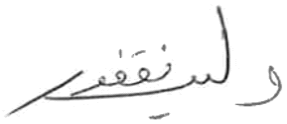

ABU DHABI NATIONAL TAKAFUL COMPANY P.S.C.

Introduction
We have reviewed the accompanying interim condensed statement of financial position of Abu Dhabi National Takaful Company P.S.C. (the "Company") as of 30 September 2026, and the related interim condensed statements of profit or loss, comprehensive income for the three and nine months period, changes in shareholders' equity and cash flows for the nine-month period then ended and explanatory notes. Management is responsible for the preparation and presentation of this interim statements in accordance with International Accounting Standard 34, *"Interim Financial Reporting"* ("IAS 34"). Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

Scope of review
We conducted our review in accordance with International Standard on Review Engagements 2410, "*Review of Interim Financial Information performed by the Independent Auditor of the Entity*". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing. Consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion
Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34.
