INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF ARMAH SPORTS COMPANY (A SAUDI LISTED JOINT STOCK COMPANY)

Introduction

We have reviewed the accompanying interim condensed statement of financial position of Armah Sports Company – A Saudi Listed Joint Stock Company ("the Company") as at 30 September 2026, and the related interim condensed statements of profit or loss and other comprehensive income for the three-month and nine-month periods ended 30 September 2026, and the related interim condensed statement of changes in equity and cash flows for the nine-month period then ended, and explanatory notes. Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34, "Interim Financial Reporting" ("IAS 34") as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" as endorsed in the Kingdom of Saudi Arabia. A review of interim financial statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Other Matters

The financial statements of the Company for the year ended 31 December 2025 were audited by another auditor who expressed unmodified opinion on those financial statements on 6 Ramadan 1447H (corresponding to 23 February 2026).

We have not been appointed or assigned to review the interim condensed financial statements of the Company as at and for the three-month and nine-month period ended 30 September 2025. Accordingly, we were not able to indicate whether there were any adjustments to the results of its business and cash flows for the three-month and nine-month period ended 30 September 2025. Our conclusion is not modified in relation to this matter.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 as endorsed in the Kingdom of Saudi Arabia.

The accompanying notes form an integral part of these interim condensed financial statements.

1. CORPORATE INFORMATION AND PRINCIPAL ACTIVITIES

Armah Sports Company, (the "Company") is a Saudi Listed Joint Stock Company registered in Riyadh, Kingdom of Saudi Arabia, under Commercial Registration Number 1010559940 and Unified National Number 7005955278 dated Jumada Al-Akhirah 14, 1440 H (corresponding to February 19, 2019).

The registered address of the Company is building number 3894, Al Nakheel District, Riyadh, Kingdom of Saudi Arabia.

The Company's primary activities include operating facilities, sport centers, personal training, retail sales of sports apparel, and providing food services in sport facilities, salons, and other sports activities.

On 29 Muharram 1448H (corresponding to 14 July 2026), the Company announced its application to the Saudi Exchange for transfer from Parallel Market of the Saudi Exchange (Nomu) to the Main Market of the Saudi Exchange (Tadawul).

On 17 Rabi' al-Awwal 1448H (corresponding to 30 August 2026), the Company's shares commenced trading on the Main Market of the Saudi Exchange (Tadawul) under trading symbol 6022, following the Saudi Exchange's approval of the Company's transfer from the Parallel Market (Nomu) on 26 Safar 1448H (corresponding to 9 August 2026.)

Recent geopolitical developments in the Middle East

During the period, geopolitical tensions in parts of the Middle East intensified, leading to regional instability. Given that the majority of the Company's operations are conducted within the region, management continues to monitor these developments closely and its impact on the business as the situation remains evolving.

2. BASIS OF PREPARATION

These interim condensed financial statements have been prepared in accordance with the requirements of International Accounting Standard (IAS 34) "Interim Financial Reporting" that is endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants ("SOCPA").

The interim condensed financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Company's annual financial statements as at 31 December 2025. In addition, the results of the operations for the period ended 30 September 2026 do not necessarily represent an indication for the results of the operations for the year ending 31 December 2026. Specific explanatory disclosures have been included in order to explain the significant events and transactions during the period.

The Company has prepared the interim condensed financial statements on the basis that it will continue to operate as a going concern. Management considers that there are no material uncertainties that may cast significant doubt over this assumption. They have formed a judgement that there is a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future, and not less than 12 months from the end of the reporting period.

These interim condensed financial statements have been prepared on the historical cost basis, except for the following:

- Land under property and equipment – measured at revalued amount; and
- Defined benefit plan – measured at the present value of future obligations using the Project Unit Credit Method.

Furthermore, these interim condensed financial statements are prepared using the accrual basis of accounting.

The interim condensed financial statements are presented in Saudi Riyal ("﷼"), which is the Company's functional currency.

3. USE OF JUDGMENTS AND ESTIMATES

The preparation of these interim condensed financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities.

3. USE OF JUDGMENTS AND ESTIMATES (continued)

Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

All judgements and sources of estimation uncertainty used in the preparation of the interim condensed financial statements remain similar to those disclosed in the Company's annual financial statements for the year ended 31 December 2025.

4. SUMMARY OF MATERIAL ACCOUNTING POLICIES

The accounting policies and calculation methods applied in preparing the interim condensed financial statements are consistent with those followed in preparing the Company's annual financial statements for the year ended 31 December 2025. The Company did not early adopt any other standard, interpretation or amendment issued but not yet effective.

5. NEW STANDARDS, AMENDMENT TO STANDARDS AND INTERPRETATIONS

The following standards and interpretations apply for the first time to financial reporting periods commencing on or after 1 January 2026:

Classification and Measurement of Financial Instruments – Amendments to IFRS 9 and IFRS 7

In May 2024, the IASB issued Amendments to IFRS 9 and IFRS 7, Amendments to the Classification and Measurement of Financial Instruments (the Amendments). The Amendments include:

- Clarifications of the requirements for recognition and derecognition of financial assets and financial liabilities. In particular, a financial liability is derecognised on the 'settlement date' and an accounting policy choice is introduced (if specific conditions are met) to derecognise financial liabilities settled using an electronic payment system before the settlement date
- Additional guidance on how the contractual cash flows for financial assets with environmental, social and corporate governance (ESG) and similar features should be assessed
- Clarifications on what constitute 'non-recourse features' and what are the characteristics of contractually linked instruments
- The introduction of disclosures for financial instruments with contingent features and additional disclosure requirements for equity instruments classified at fair value through other comprehensive income (OCI)

The amendments had no impact on the Company's interim condensed financial statements

Annual Improvements to IFRS Accounting Standards – Volume 11

In July 2024, the IASB issued nine narrow scope amendments as part of its periodic maintenance of IFRS accounting standards. The amendments include clarifications, simplifications, corrections or changes to improve consistency in IFRS 1 First-time Adoption of International Financial Reporting Standards, IFRS 7 Financial instruments: Disclosure and its accompanying Guidance on implementing IFRS 7, IFRS 9 Financial Instruments, IFRS 10 Consolidated Financial Statements and IAS 7 Statements of Cash Flows.

The amendments had no impact on the Company's interim condensed financial statements.

Contracts Referencing Nature -dependent Electricity – Amendments to IFRS 9 and IFRS 7

In December 2024, the IASB issued Amendments to IFRS 9 and IFRS 7 - Contracts Referencing Nature dependent Electricity. The amendments apply only to contracts that reference nature-dependent electricity, and they:

- Clarify the application of the 'own-use' requirements for in-scope contracts
- Amend the designation requirements for a hedged item in a cash flow hedging relationship for in-scope contracts

5. NEW STANDARDS, AMENDMENT TO STANDARDS AND INTERPRETATIONS (continued)

Contracts Referencing Nature -dependent Electricity – Amendments to IFRS 9 and IFRS 7 (continued)

- Add new disclosure requirements to enable investors to understand the effect of these contracts on a company's financial performance and cash flows.

The amendments had no impact on Company's interim condensed financial statements.

Standards issued but not yet effective
The Company has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective and below mentioned are the details of those standards:

Standards/ amendments to standards/ interpretations	***Effective date***
IFRS 18 Presentation and Disclosure in Financial Statements	1 January 2027
IFRS 19 - Subsidiaries without Public Accountability: Disclosures	1 January 2027
Translation to a Hyperinflationary Presentation Currency – Amendments to IAS 21	1 January 2027

The adoption of these standards and interpretations is not expected to have any material impact on the Company on the effective date, except IFRS 18, which the Company has evaluated the impact of its adoption on the financial statements.

IFRS 18 Presentation and Disclosure in Financial Statements

In April 2024, the IASB issued IFRS 18, which replaces IAS 1 Presentation of Financial Statements. IFRS 18 introduces new requirements for presentation within the statement of profit or loss, including specified totals and subtotals. Furthermore, entities are required to classify all income and expenses within the statement of profit or loss into one of five categories: operating, investing, financing, income taxes and discontinued operations, whereof the first three are new.

The standard requires disclosure of newly defined management-defined performance measures, subtotals of income and expenses, and it also includes new requirements for aggregation and disaggregation of financial information based on the identified 'roles' of the primary financial statements (PFS) and the notes.

In addition, narrow-scope amendments have been made to IAS 7 Statement of Cash Flows, which include changing the starting point for determining cash flows from operations under the indirect method, from 'profit or loss' to 'operating profit or loss' and removing the optionality around classification of cash flows from dividends and interest. In addition, there are consequential amendments to several other standards.

IFRS 18, and the amendments to the other standards, are effective for reporting periods beginning on or after 1 January 2027, but earlier application is permitted and must be disclosed. IFRS 18 will apply retrospectively.

Although the adoption of IFRS 18 will have no material impact on the Company's profit for the period or total revenue, the Company expects that grouping items of income and expense in the Interim Condensed Statement of Profit or Loss into the new categories will impact how Operating profit is reported.

1- Structure of the Statement of Profit or Loss

The Company does not have a specified main business activity as defined in IFRS 18. Following is the high level IFRS 18 impact assessment results as at the date of reporting:

- The Company will continue to present operating profit line item and believe that it is not materially different from operating profit reported under IAS 1 as at the reporting date;

- The items of finance income line item will be disaggregated into interest income on net investment in sublease and interest income on cash and cash equivalents, and will be presented within the new investing category, before the new 'Profit before financing and zakat' subtotal required by IFRS 18.

5. NEW STANDARDS, AMENDMENT TO STANDARDS AND INTERPRETATIONS (continued)

1. Structure of the Statement of Profit or Loss (continued)

- The finance costs line item will be disaggregated into interest expense on borrowings, interest expense on lease liabilities and interest expense on employees' end of service benefits, and will be presented within the new financing category, after the new 'Profit before financing and zakat' subtotal required by IFRS 18.

- The Company expects the Zakat to be presented in income tax category of IFRS 18 hence, there is no change from existing presentation under IAS 1.

2- Management-defined performance measures (MPMs)

Management-defined Performance Measures (MPMs) is a subtotal of income and expenses that entity uses in public communication outside the financial statements that communicates management's view of an aspect of the financial performance of the entity as a whole. Where applicable, these measures may require quantitative reconciliation to IFRS-defined subtotals together with expanded explanatory disclosures.

Upon adoption of IFRS 18, the Company will assess whether performance measures communicated to investors, analysts and other stakeholders, outside Company's financial statements would meet the definition of an MPM under IFRS 18 and accordingly, will comply with the IFRS 18 disclosure requirements in this regard. On high level, the Company expects to include Adjusted EBITDA (Earnings Before Interest, Zakat, Depreciation and Amortization) and Adjusted Net Income, as management-defined performance measures. Adjusted EBITDA and Adjusted Net Income will be adjusted to exclude certain income and expense items which are infrequent during normal course of business.

3- Aggregation and Disaggregation

The new aggregation and disaggregation requirements will lead into changes to present the most useful structured summary. The Company is assessing how items are aggregated and disaggregated in the primary financial statements and the notes on the basis of similar and dissimilar characteristics. Certain profit or loss line items description and aggregations may change to provide useful structured summaries and disclose of additional material information would be included in the notes. The Company also expects expanded disclosure requirements relating to the aggregation and disaggregation of information. The Company is also assessing line items currently labeled as "other" and will use more informative labels that describes the aggregated items as precisely as possible.

4- Consequential amendments

The Company currently uses profit before zakat for the year / period as a starting point of the reconciliation to cash flows from operating activities which will change to 'operating profit or loss'. Certain adjusting items included in the reconciliation will change as a result of the new starting point.

6. REVENUE

Total revenue	**66,331,844**	60,445,646	**180,038,106**	162,817,676

6. REVENUE (continued)

* The transaction price for personal training services is determined based on the fixed contractual consideration for the personal training package purchased by the customer, after taking into account applicable contractual discounts, if any. Personal training services are sold separately from membership services; accordingly, the consideration for the personal training package is allocated to the performance obligation relating to personal training services. Payment is received in advance.

** Other fitness centers' revenue mainly comprises revenue generated from the sale of food and beverage and other merchandise available at the fitness centers.

19. FINANCIAL RISK MANAGEMENT AND FAIR VALUE MEASUREMENT

The Company's financial risk management strategies have not changed significantly since the last year end.

There have been no substantive changes in the judgements and estimates made by the Company in determining the fair values of the financial instruments since the last annual financial statements. Furthermore, the levels of inputs used in determination of the fair values are consistent with that disclosed in the financial statements for the year ended 31 December, 2025. The fair value of financial instruments approximates their carrying value.

20. SUBSEQUENT EVENTS

There are no subsequent events that require disclosure or amendment to the accompanying interim condensed financial statements.

21. COMPARATIVE INFORMATION

Certain comparative figures have been reclassified, wherever considered necessary for the purposes of comparison and better presentation.

22. APPROVAL OF THE INTERIM CONDENSED FINANCIAL STATEMENTS

The interim condensed financial statements have been approved by the Board of Directors on 17 Jumada al-Ula 1448H (corresponding to 28 October 2026G).
